Love in Action had an extraordinary donation to use this week. They provided pies and pastries, fresh vegetables and potatoes. Lots of goodies that we will be able to share with our families next week. Due to their donations as well as food rescued from Dream Team central, we were able to feed an additional 35 meals on Thursday and Friday last week.

We had a few suggestions, since our group has gotten larger, to split the group to maybe, every other week. We put some thought and prayer into this. Lynn and I have worked every other week, in the ER, for the past 30 years. In our experience, we lived life one week and missed out on everything the next week. Highlands also serves the model of serving every other week on Sunday Dream Team serves. Due to the nature of our weekly serve, and everyone's changing schedule, we didn't want to force the every other week serve on anyone. This allows you the flexibility to come and go as your life and schedule deems, and doesn't make you feel forced to come "since it is your week to serve". That being said, if you would feel better being on every other week, and taking a little break at times, feel free to let us know. God always provides enough help when we need it, so don't ever feel obligated.

Delivery drivers this week had an addition of a few new members. And Don and Gina Lathem have stepped up in helping lead those drivers. They are coming up with a short curriculum, to teach each driver on ways to share the gospel when they deliver meals. As we all know, our meals are just a conduit to be able to share the love of God with those in need. Don and Gina have a love for people and a love for our ministry. Thanks to them for stepping up.
